

ATTENTION FAMILIES:

Now offering a supportive virtual learning option for families who want proven, engaging at-home learning

Grades K-12 • Full-Time or Flexible, Part-Time Virtual Learning Options Available *

As our community recovers from the initial impact of COVID-19 and we plan for multiple possibilities for returning to school in the fall, we have made the decision to offer families and students virtual learning as an option.

We've partnered with Edmentum's EdOptions Academy to provide your child with an excellent at-home learning experience. EdOptions Academy has been providing online learning to students since 1997 and is partnered with over 700 schools and districts to support more than 85,000 K-12 students nationally.

400+

elementary, middle, and high school courses

to choose from, including core, advanced, world languages, and elective courses

fully accredited by Cognia/AdvancED

AP® courses certified by the College Board

NCAA®-Approved

“My son’s teachers have been beyond wonderful in terms of communication, encouragement, and keeping our son on task.”

—Eva B., parent of student using EdOptions Academy

What you can expect from our virtual program

Our partnership with EdOptions Academy allows us to provide your child with a truly personalized learning experience along with trusted curriculum, instruction, and support. When you choose this virtual program, you and your child will be able to:

- Choose from a catalog of over 400 elementary, middle, and high school courses, including core, elective, career and technical education, and advanced courses.*
- Access courses 24/7, from any computer connected to the Internet; many courses are optimized for mobile devices, including tablets.
- Work closely with supportive, state-certified online teachers who are committed to building strong relationships with both students and parents. Regular communication occurs via video conferencing, phone, and email; teachers also offer live lessons and virtual “office hours” for real-time instruction and extra help.
- Participate in engaging activities designed to meet the needs of all learners, including videos, audio content, and problem-based interactive lessons.
- Access pacing and progress-monitoring tools to help stay on track.
- Remain a part of our school community with access to the same resources, supports, and extracurricular opportunities as a full-time brick-and-mortar student.
