

St. Joseph High School / 2016 - 2017 Fall Early College Course Offerings

The following courses are available for college credit through a partnership with St. Joseph High School and Lake Michigan College. This program is offered at St. Joseph High School during the Fall:

Students interested in earning college credit must complete the following steps:

1. Check prerequisites for the courses you wish to take.

If the prerequisites list E, M, or R you must meet our college level English (E), Reading (R) and/or *Math (M) proficiencies. Please check prerequisite descriptions for each class. Please review the chart below for acceptable minimum test scores. *Some courses require higher level math courses and higher test scores may be required beyond the minimums listed here.

Qualifying MINIMUM scores for Early College are:

	E (English/Writing)	R (Reading)	*M (Math)
ACT	English 18	Reading 17	Math 18
SAT (new)	Writing Test Score 27	Reading Test Score 26	Math Test Score 24
Compass	Writing 78	Reading 78	Pre-Algebra 46

NOTE: Students may take the Compass assessment a maximum of twice per semester. Review materials can be found at www.lakemichigancollege.edu/assessment ; click on Assessment Services tab.

2. Discuss billing arrangements with your High School or Tech Center.

Please speak with your High School Guidance Counselor or Tech Center Office to discuss payment policies. For high school payments, a billing authorization signature is required to bill for tuition and fees. Registrations will not be accepted or processed without a billing authorization signature or other form of payment at time of registration (check or money order for payment in full is required for any self-pay registrations).

3. Complete the Early College registration form. Attach applicable ACT, SAT, or Compass scores.

Registrations must be signed by the student, parent and school district. Be sure to confirm that the correct CRNs are listed and all course information is complete. Incomplete registrations will not be processed.

4. Submit the completed Early College Registration & Authorization form to the Guidance Office by 9/29/2016 .

5. Confirm course registration using your LMC student WaveLink account.

Once your form has been processed, you will be able to view your college schedule on your LMC WaveLink student account. Please allow time for processing this form in order for your schedule to be listed online. First time students will not have WaveLink access until registration is completed.

6. Classes taken for college credit will be recorded on a permanent college transcript.

Unofficial transcripts, schedules, and registration history can be accessed through WaveLink. To request an official transcript, please use the Official Transcripts link within WaveLink. There is a fee associated with sending official transcripts. Please note that you will not receive college credit for a course unless you register (even if you sit through the course). We do not grant retroactive credit.

7. Drop / Withdrawal Procedure.

The official Early College Drop/Add/Withdraw Form must be completed and submitted to the Early College Office at Lake Michigan College for a class to be dropped or withdrawn from enrollment by the deadline. If a student does not follow the college's drop or withdrawal procedure, he/she will receive an 'E' grade on his/her college transcript. Withdrawing from or failing college classes may cause a student to be ineligible for Federal Financial Aid after graduation.

LAKE MICHIGAN COLLEGE

St. Joseph High School / 2016 - 2017 Fall Early College Course Offerings

The following courses are available for college credit through a partnership with St. Joseph High School and Lake Michigan College. Please note there is a \$2.00 Student ID Fee assessed per student each semester along with the fees below. This program is offered at St. Joseph High School during the Fall:

CRN Number	Subject	Course Title	Credits	Fee	Instructor
Anatomy & Physiology					
13330	BIOL 110	HUMAN ANATOMY & PHYSIOLOGY	4		Paul Hirn
		<i>Prerequisites: E, M, R</i>			<i>1st Hour - 7:45-8:51am</i>
13331	BIOL 110	HUMAN ANATOMY & PHYSIOLOGY	4		Paul Hirn
		<i>Prerequisites: E, M, R</i>			<i>6th Hour - 1:46-2:45pm</i>
Art					
11799	ART 101	ART APPRECIATION I	3		Matthew Culver
		<i>Prerequisites: None</i>			<i>5th Hour - 12:42-1:41pm</i>
11775	ART 101	ART APPRECIATION I	3		Matthew Culver
		<i>Prerequisites: None</i>			<i>6th hour - 1:46-2:45pm</i>
College Writing					
12025	ENGL 101	ENGLISH COMPOSITION I	3		Joyce Hunter
		<i>Prerequisites: E,R</i>			<i>2nd Hour - 8:56-9:55am</i>
12071	ENGL 101	ENGLISH COMPOSITION I	3		Joyce Hunter
		<i>Prerequisites: E,R</i>			<i>5th Hour - 12:42-1:41pm</i>
12755	ENGL 101	ENGLISH COMPOSITION I	3		Joyce Hunter
		<i>Prerequisites: E,R</i>			<i>6th Hour - 1:46-2:45pm</i>
12756	ENGL 101	ENGLISH COMPOSITION I	3		Eileen (Bean) Klusendorf
		<i>Prerequisites: E,R</i>			<i>3rd Hour - 10:00-10:59am</i>
12851	ENGL 101	ENGLISH COMPOSITION I	3		Eileen (Bean) Klusendorf
		<i>Prerequisites: E,R</i>			<i>4th Hour - 11:37-12:37pm</i>
13359	ENGL 101	ENGLISH COMPOSITION I	3		Eileen (Bean) Klusendorf
		<i>Prerequisites: E,R</i>			<i>5th Hour - 12:42-2:45pm</i>
