

**ATHLETIC HALL OF FAME NIGHT**  
**February 23, 2018**

Welcome Hall of Fame recipients, family members, friends, and Bear fans. This is the twenty-ninth year for the St. Joseph High School Athletic Hall of Fame. Athletic Director Kevin Guzzo will be honoring five new inductees with a plaque at halftime.

St. Joseph High School has a very simple philosophy: Each individual has the right and responsibility to develop and grow as a student, as an athlete, and as a person through a variety of experiences. Athletics has been a positive outlet for our honored guests. Certainly, as you read through the profiles of the inductees, you can see that these people serve as strong role models in all facets of life. They have distinguished themselves as great athletes and, more importantly, as good students and community leaders throughout the United States.

We hope you enjoy tonight's activities and invite you to spend some time after the game with the new inductees, their families and friends, at a reception on Main Street near the Student Center.
